

ALLELUIA CHILDREN'S CHOIR

Registration Instructions

2016-2017

Before registering your children, please review the upcoming schedule, mandatory fees and commitment expectations to ensure this is a good fit for your child and your family. You may want to consider things such as when you will be taking family holidays, trips or if you will be involved in other extracurricular activities to ensure they don't conflict. Singers are required to attend 75% of rehearsals after the registration deadline in order to automatically be permitted to participate in major concerts. Exemptions are allowed only in special circumstances and at the discretion of the director.

You will need...

- BC Care Card Number for each child participant
- Cash/Cheque for Fees
- Your personal and emergency contact information
- Emergency contact information for a backup person

Please fill out forms in FULL and make payment in FULL. If you are pre-registering online and paying with PayPal, you may withhold payment until the first rehearsal your child attends. (This option is coming soon on our website but is not available at this time.)

If your child is uncertain about permanently joining choir, you may withhold fee payment until September 30th deadline, at which time you must pay immediately or withdraw your child from the group and return any music and/or other ACC goods he or she may have taken.

Registration and uniform fees are considered **non-refundable** after the registration deadline.
